

Trainee Accountant

Peevers Slye Cotter, a well-established accountancy practice is now recruiting a trainee accountant to join their accounting and business advisory practice for both the Tralee and Killorglin office in June 2017.

If you are interested in working in a busy progressive accountancy practice and want to get experience across a broad business sector in a very well-tailored program then our Practice is the one for you.

Please see our website www.psc.ie for more information on what we do.

The successful candidate must have:

- An honours degree in business (Subject to final exams) and a proven strong academic record.
- A desire to pursue a professional career in accountancy.
- An eagerness to learn and be challenged across all areas of the business sector.
- Ability to work in a team and on their own.
- Excellent verbal and communication skills.
- Computer Literacy.

Fully tailored training program and study package including generous study leave package will be available to the successful trainee accountant.

Applicants should forward their CV no later than Friday the 31st March 2017
